Recreation Plan Update

The preparation of a Recreation Plan was adopted by the City Council as a major City goal in May 2005. The purpose of the Plan is to provide a comprehensive review and assessment of recreation programs, services and facilities, as well as preparation of a long term, recreation focused vision for the community. The final document will be a valuable companion to the current Parks and Open Space Plan.

The public input process began in June 2006 with a Community Workshop. Stakeholder interviews followed. During Summer 2006, additional public input was collected through recreation program participant surveys and athletic facility user group surveys. A draft trend analysis of recreation patterns, preferences and a demographic profile of the community was completed. A recreation program and facility inventory was conducted. A second Community Workshop was held last September, followed by Focus Groups held in February and March 2007. The Recreation Plan draft is scheduled to be completed in Fall 2007, with additional opportunities for public comment. The final draft document will be submitted to the Parks and Recreation Commission and City Council for review and approval at the end of the year.

The Plan is anticipated to include:

- a community profile and needs assessment;
- identification of emerging recreation trends and issues;
- an inventory of existing recreation programs, services and facilities; and,
- recommendations for priority setting and implementation strategies.

For current information, documents related to the development of the Recreation Plan and opportunities for public comment, please go to mountianview.gov and click the Recreation programs and services tab.

Did you know?

The Mountain View Recreation Division registered over 9,400 recreation class participants July 1, 2006-June 30, 2007?

And, over 31,000 lap swim uses were logged at Eagle and Rengstorff pools?

And over 100 college students turned Recreation Leaders & Lifeguards to promote positive attitudes and behaviors among youth after school and during the summer?

And over 500 seniors per day participate in Senior Center programs and services?

And over 540 Mountain View Elementary and Middle school students receive critical recreation and youth development services afterschool through the Recreation Division.

And volunteers are engaged in programs from supporting Deer Hollow Farm to providing services in parks and City departments. Isn't it time we all “Fall into the swing of things?”

Family Fun at Ohlone Day: Living History Festival

The Ohlone Day festival will be held Saturday, October 20 at Deer Hollow Farm from 1:00-4:00 pm. Bring the family and help support Deer Hollow Farm. Flint knapping, archery, fire-starting, and cooking methods will be demonstrated.

The replica Village, normally closed to the public, was created by Farm staff and volunteers for students to learn about the Native Americans while visiting the Farm during field trips. It contains sleeping and shade shelters, an underground sweat house, a granary, and a village community center. These structures are made much the same way that the Ohlone built them using willow branches embedded in the soil and tied together with cordage made from plant and animal materials. Tule grass covers the willow structures.

Ohlone Day entrance fees are: Adult -\$5; Children- \$2 (Under 2 years free). All proceeds go for Farm support and scholarships for Bay Area students to attend the outstanding environmental education program at Deer Hollow Farm.

A merchandise booth will feature mugs, T-shirts, water bottles, embroidered sweatshirts, handmade note cards with original photos of the Preserve and Farm, and animal and plant identification cards. Sales benefit the educational program at Deer Hollow Farm.

Deer Hollow Farm is a working homestead farm and educational center in the foothills of Los Altos amid the 3,800 acre Rancho San Antonio Open Space District Preserve. Friends of Deer Hollow Farm has offered Ohlone Day for the past decade to give the public special access to the replica Ohlone Village created for classes and to raise scholarship funds. Half the 4,100 students attending Deer Hollow classes each year receive tuition from the festival sponsor Friends of Deer Hollow Farm, a non-profit 501(c)(3) organization.

Deer Hollow Farm is managed and funded by the City of Mountain View with support from Midpeninsula Regional Open Space District, Santa Clara County, and Friends of Deer Hollow Farm. For more information, please visit the Friends website at: www.fodhf.org.
